

## DUTTON BANK MAKES SPLENDID SHOWING

RESOURCES NOW PASS THE HALF-  
MILLION DOLLAR MARK.

Officers of Institution Among the Most  
Accommodating to Be Found  
in the City.

Special attention is directed to the statement of the condition of The Dutton Bank, one of the oldest financial concerns of the city and which shows its finances to be in a most prosperous condition.

This institution has now passed the half-million mark in resources, and no stronger indorsement could be desired of any institution. This alone shows the high endorsement that is given it by the general public as well as the surrounding country.

At great expense they have just added a new automatic electric alarm system to their already well-appointed bank which consists of new, expensive and handsome vaults, besides the very latest and most up-to-date furniture and fixtures for the rapid transaction of the enormous business that is being handled by them.

Its officers, from President Thomas down to the bookkeepers, are among the most accommodating to be found in the entire South, and the very careful manner in which they look after the interests of all their customers is self-explanatory for the volume of business that they are doing.

The officers are W. R. Thomas, president; G. K. Broome, first vice-president; W. B. Taylor, second vice-president; E. D. Turner, secretary and cashier, with the following directors: G. K. Broome, J. B. Padgett, H. F. Dutton, J. A. Maultsby, J. G. Nichols, M. Venable, W. R. Thomas and W. B. Taylor, all of whom are among the leading and most influential business men of this county.

The fact that the bank now has on hand more than 50 per cent of the deposits, when the law only requires 30 per cent, is another evidence of the very efficient manner in which the affairs of the depositors' interests are looked after.

During the past year, the Dutton Bank has undergone many changes and alterations, and the fact that their business has steadily increased with

## Often The Kidneys Are Weakened by Over-Work.

Unhealthy Kidneys Make Impure Blood.

Weak and unhealthy kidneys are responsible for much sickness and suffering, therefore, if kidney trouble is permitted to continue, serious results are most likely to follow. Your other organs may need attention, but your kidneys most, because they do most and should have attention first. Therefore, when your kidneys are weak or out of order, you can understand how quickly your entire body is affected and how every organ seems to fail to do its duty.

If you are sick or "feel badly," begin taking the great kidney remedy, Dr. Kilmer's Swamp-Root. A trial will convince you of its great merit.

The mild and immediate effect of Swamp-Root, the great kidney and bladder remedy, is soon realized. It stands the highest because its remarkable health restoring properties have been proven in thousands of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in fifty-cent and one-dollar sizes. You may have a sample bottle by mail free, also a pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing to Dr. Kilmer & Co., Binghamton, N. Y. Don't make any mistake, but remember the name, Swamp-Root, and don't let a dealer sell you something in place of Swamp-Root—if you do you will be disappointed.

each report during the financial depression is another remarkable showing and one that is a just tribute to the conservative and enterprising men who are placed in charge of its affairs.

With all the new and up-to-date methods that have been adopted at the Dutton Bank they will now be better enabled to look out for the interests of their customers, and the installation of the new alarm system will naturally give it prestige over other banking houses.

The bank building is one of the largest to be found in any interior city of the State, the furniture and fixtures cannot be excelled, and any one desiring to do business with a most courteous and accommodating corps of officials would do well to investigate this institution.

### HAD LIVELY CHASE.

Deputy Strickland Relates His Experience With Fleeing Negro.

Deputy Sheriff Raymond Strickland of Waldo came to Gainesville yesterday for the purpose of bringing Thomas Jones, a negro sentenced to five months at hard labor in Justice Tillis' court for carrying concealed weapons.

Deputy Strickland states that the negro had stolen a number of articles including a watch, and was scattering them in all directions as he gave chase after him, and after he had run the man for about a half hour Thomas was finally landed. It was nothing for the negro to jump fences eight feet high and the experience was rather exciting before the man was finally apprehended.

The deputy has a number of the stolen articles, which were afterwards picked up, among them being a gold watch.

### OWEN CAN GET AROUND.

Sheriff States That He Was Fully Able to Walk Tuesday.

Sheriff Ramsey has returned from Jacksonville, where he went to place R. H. Owen, the white man sentenced to be hung and execution of whom was held up on a writ of error. The Sheriff says Owen was very spry on Tuesday and fully able to get about.

That he has been feigning all the while was more clearly demonstrated to the sheriff, for when he was apprised of why he was being carried away he did not need the assistance of anyone to help him dress or walk down the steps, or to the carriage. Owen remarked to the sheriff that "they could easily come and pick them up at the depot while waiting for the train to depart."

### A Golden Wedding

Means that man and wife have lived to a good old age and consequently have kept healthy. The best way to keep healthy is to see that your liver does its duty 365 days out of 365. The only way to do this is to keep Ballard's Herbine in the house and take it whenever your liver gets inactive. 50 cents per bottle. Sold by W. M. Johnson.

## MISS LUDWIG SECURES FIRST HONORS AGAIN

MISS LORNA McCREDIE GOES TO  
FIRST PLACE IN SOUTHERN.

Miss Goode Leads in Gainesville and  
Heavy Vote Was Polled by  
Many of the Leaders.

In the Western Section Miss Hattie Ludwig again takes the lead and Miss Lorna McCredie goes to first place in the Southern Section. In the Gainesville district Miss Goode goes to first place by a little over 9,000 plurality. The other candidates who are nearing the head of the list are also showing remarkable strength and the heaviest vote polled since the contest started was that of yesterday, and it seems to be growing stronger at each count.

It is just three weeks until the 18th, when the successful candidates will be known, and every effort will be put forth by the people to see that their candidates are successful in the final wind-up. The hardest fought battle is now in the Western Section, as there are a number there who are very close together, in fact, more than in any other section.

Don't fail to work for The Sun while you are at home. Solicit among your friends, as in this way you can pick up a nice lot of subscribers and at the same time secure a large vote for your trouble.

Following is the result of the canvass:

### Gainesville—Central Section.

Miss Lula Gay, Bell	1,885
Miss Lizzie Smith, Newberry	630

Don't use harsh physics. The reaction weakens the bowels, leads to chronic constipation. Get Doan's Regulets. They operate easily, tone the stomach, cure constipation.

## Women Suffer Agonies from Diseased Kidneys

And Most Women Do This Not Knowing the  
Real Cause of their Condition

These poor, suffering women have been led to believe that their misery of mind and body is entirely due to "ills of their sex." Usually the kidneys and bladder are responsible—or largely so. And in such cases, the kidneys and bladder are the organs, that need and must have attention.

Those torturing, enervating sick headaches, dragging pains in back, groin and limbs, bloating and swelling of the extremities, extreme nervousness or hysteria, listlessness and constant tired, worn-out feeling—are almost certain symptoms of disordered and diseased kidneys, bladder and liver.

DeWitt's Kidney and Bladder Pills have, in thousands of cases, been demonstrated as remarkably beneficial in all such conditions of female organism—affording the most prompt relief and permanent benefit.

As an illustration of what these Pills will do, Mrs. P. M. Bray of Columbus, Ga., writes that she was very ill with kidney trouble, and that she is now well—and that these Pills are what cured her.

They are very pleasant to take, and can in no case, produce any deleterious effects upon the system—as syrupy, alcoholic, liquid preparations are apt to do.

E. C. DeWitt & Co., Chicago, Ill., want every man and woman who have the least suspicion that they are afflicted with kidney and bladder diseases to at once write them, and a trial box of these Pills will be sent free by return mail post-paid. Do it to-day.

## TELEPHONE TALKS

The Long Distance System

One of the most valuable features of our service, to our subscribers and to the public generally, is our connection with the extensive long distance lines of the American Telephone and Telegraph Company and the other associated Bell Telephone companies.

We own thousands of miles of long distance lines in the seven States in which we operate and in addition can connect any telephone in our system with lines extending to any other city in which a Bell Telephone system is operated.

These long distance lines are of the most modern and improved construction and are maintained at a high state of efficiency. The Bell systems,

operating in various sections of the country, are uniform in their equipment and in their methods of operating.

Only by reason of this close traffic arrangement between the Bell Telephone companies is it possible to go to a Bell Telephone almost anywhere ask for "Long Distance" and be put in communication with almost any point in the country.

This vast network of wires, radiating throughout the nation, is used daily in commerce and for social purposes by the banker, the farmer and citizens in all walks of life and our plant here is an important link in this great chain.
